MINISTRY®**

FY 2020 ANNUAL REPORT

1735 NORTH ASHLAND AVENUE, SUITE 2000, CHICAGO, IL 60622

THE NIGHT MINISTRY is a Chicago-based organization that works to provide housing, health care, and human connection to members of our community struggling with poverty or homelessness.

Every day, we offer a lifeline to forgotten members of our community.

We serve everyone without concern for race, ethnicity, sexual orientation, gender identity, or religion.

DEAR FRIENDS,

There is no other way to say it: Fiscal Year 2020 was a momentous year in the history of The Night Ministry, filled with achievements and challenges the organization has never seen in its 45 years of serving Chicagoans experiencing homelessness or poverty.

We began the year by kicking off construction at The Night Ministry's new headquarters in the Bucktown neighborhood. As crews progressed on their work, we excitedly saw our vision for 1735 North Ashland become a reality: a new home for our Health Outreach Program, our central administration, and The Crib overnight shelter that would not only facilitate an enhancement in the quality and efficiency of our programs, but also position us for innovation and growth in the future. In the meantime, however, with the lease at our Ravenswood headquarters expiring, The Night Ministry had to make an interim move in November 2019 to a temporary home office in Edgewater. While the process was not without

challenges, we made sure that the Health Outreach Bus and Street Medicine Van hit the streets every day and our Youth Housing Programs continued to offer safe, supportive shelter.

In other words, we remained focused on our mission. That became paramount when the world changed with the arrival of COVID-19. We are proud to say there was never, at any time, discussion of curtailing our programs when the pandemic began. Rather, with the knowledge that those whom we serve are particularly vulnerable to this unprecedented public health crisis, we made adjustments to protect the health and safety of all members of our community—from our staff and clients to our volunteers and partner organizations—while continuing to provide housing, health care, and human connection.

Then, in the midst of the pandemic, our country's collective failure to right hundreds of years of systemic racial discrimination and inequality once again begot

anguish, anger, and renewed demands for change. As a nonprofit assisting some of our most vulnerable community members, The Night Ministry has continually witnessed the impact of racial inequity and injustice on the individuals and communities we serve. But, this past year's urgent calls for reconciliation moved us to look deeper at our own biases as an institution, with a new commitment to taking the necessary steps to become an anti-racist organization.

Throughout the year, we continued to make substantial progress on The Campaign for The Night Ministry, a major fundraising initiative to cover construction and sustainability at our new home office and to strengthen our endowment, among other strategic goals. And, as the fiscal year moved into its final months, our new headquarters became ready for occupation. So, we began our second move of the year, with our Health Outreach Program staff settling in with their vehicles first, followed by administrative personnel, and finally, The Crib overnight shelter.

We are deeply grateful for our friends and supporters who journeyed with us through a year like no other. Because of your support, The Night Ministry continued to serve in difficult conditions while still realizing our strategic priorities. Thank you for walking with us through the challenges, transitions, and accomplishments of FY 2020. With you by our side, we know we are not alone in our mission.

With sincere appreciation,

USE OF FUNDS**

*Pie chart represents operational revenue only

**Operating expenses for Philanthropic Engagement and Organizational Administration occupied slightly larger percentages of The Night Ministry's total expenditures in FY 2020 than in previous fiscal years because of costs related to The Campaign for The Night Ministry as well as the necessity of paying rent on more than one property during the transition to a new headquarters.

On a given night in 2020, the City of Chicago identified 5,390 residents living in shelters, on the streets, or in environments not meant for human habitation. In FY 2020, The Night Ministry served 5,760 young people and adults experiencing homelessness or poverty in Chicago.
