

## Multi-year Challenge Grant

We are pleased to share that The Night Ministry has received a \$50,000 multi-year challenge grant (through November 2018) from a generous and long-time supporter of our work. Eligible gifts from **new donors** or **increased donations from current donors** will be matched up to \$6,250 per donor per year.

Eligible donations include:

- **New gifts** from donors who have never given to The Night Ministry in the past, or have not given since November 9, 2014.
- **Increased gifts**, when compared to annual gifts over the past two years. The incremental donation over the annual giving in the last two year's will be matched. (e.g., If you donated \$100 last year, and you donated \$150 this year, \$50 is the amount that will be matched).
- **Multi-Year Pledges:** If you are interested in giving a multi-year pledge, please contact Krista Kutz, Individual Giving Coordinator, at (773) 506-6006 or by e-mail [krista@thenightministry.org](mailto:krista@thenightministry.org), or Christy Prassas, Vice President of Development & External Relations, at (773) 506-6023 or by e-mail [Christy@thenightministry.org](mailto:Christy@thenightministry.org).
