MINISTRY**[®]

Human Connection • Housing • Health Care

Annual Report Fiscal Year 2024

The Night Ministry

The Night Ministry is a Chicago-based non-denominational organization whose mission is to provide human connection, housing support, and health care to members of our community who are unhoused or experiencing poverty.

Front cover: *Our Health Outreach Bus visits neighborhoods across Chicago with health care, food, case management and more.*

Our Core Values

Accountability

We value the relationships we hold with each other—our staff, our partners, and those we serve—by following through on our commitments.

Service

We exist to serve clients and communities. With an open heart, we are present in people’s lives and seek solutions that promote housing stability, health, and well-being.

Dignity

We embrace each person’s inherent value and wholeness. We treat each other with respect, honesty, and compassion.

Equity

We prioritize justice and fairness in our relationships and in how we deliver services across Chicago. We celebrate diversity and seek to amplify the voices of those who have been excluded. Our work is a partnership between our staff and those whom we serve.

Innovation

We use data and evaluation to develop impactful solutions to complex challenges. We learn from each other to continually improve our services, anticipate changes, and create new opportunities that enhance the lives of our neighbors.

Hope

We believe that homelessness is solvable. Our work reveals the light in every person and every situation.

Dear Friends and Supporters,

As we reflect on another year of service, we are inspired by the resilience, generosity, and commitment of our community. The Night Ministry's work is not just about providing housing, health care, or support—it's about meeting people where they are, walking alongside them, and affirming their dignity every step of the way.

This year, we took a thoughtful look at how to strengthen our foundation while remaining flexible in an ever-changing landscape. The challenges facing our unhoused neighbors continue to shift, and so must our efforts to support their journeys. Through a thoughtful strategic planning process, we have positioned ourselves to respond with agility, preserving the heart of our mission while adapting to new and urgent needs.

And through it all, one truth remains constant: our commitment to those we serve. We stand beside our vulnerable communities physically, emotionally, and socially. With a belief that every person

deserves to be seen, heard, and valued, we deliver support with open hearts, grounded in acceptance, and advocacy.

None of this would be possible without the incredible network of people who make this work happen. To our Board of Directors, Executive Leadership Team, Strategic Leadership Team, Associate Board, and Client Advisory Board—your vision and leadership propel us forward. To our dedicated staff and volunteers—your commitment transforms lives every day. And to our donors and supporters—your generosity fuels our impact in ways that extend far beyond what can be measured.

As we approach The Night Ministry's 50th anniversary in 2026, we do so with gratitude and bold ambition. This milestone is not just a celebration of our past, but a commitment to the future. A future where we continue to push boundaries, expand our reach, and create meaningful change. We invite you to be part of this journey with us.

Thank you for standing with us.
Thank you for believing in this work.
Together, we are making a difference.

With gratitude,
