Adopt a Family Program

Adopt a Family for The Night Ministry's Holiday Celebration

This holiday season, you can help ensure that youth and families experiencing housing instability and poverty feel seen, supported, and celebrated.

As part of The Night Ministry's Holiday Celebration, our Adopt a Family Program connects generous supporters with families and young people in our programs by providing holiday gifts that bring joy, comfort, and hope during the season.

The Need: This holiday season, The Night Ministry will serve:

- 104 households
- Approximately 225 individuals
- Consists of young families working to overcome housing instability and poverty

By adopting a family, you can help brighten the holidays for those in our care and remind them their community is thinking of them.
